CONGRATS DIVERS!

The divers ended with a bang! Nearly all of our divers qualified for finals and two even placed first! As a team, our 10 and youngers took home the 2nd place trophy, while our 11 and olders placed third (out of nine teams.) That's TERRIFIC!!! Congrats to all divers who competed, and kudos to Coaches Julia and Kristen for preparing them mentally and physically.

BRIGHT FUTURE

The Junior Swimmers performed top notch on Thursday. Thanks to parents for fulfilling volunteer duties, to Lea for starting and especially to coach Patty for being THE bullpen. We were sorry that Coach Stephen wasn't feeling well the day of the Junior Swim Meet and know he would have been proud. Coaches Patty and Stephen have really prepared the swimmers well. Our future looks bright with these up-and-coming little athletes.

TEAM TREASURER NEEDED

Sadly, Mary Greaves has resigned as Treasurer for the swim and dive team. As a point of information, the Swim and Dive Team has a treasury, separate from the City, that is funded primarily through operations fees, spirit wear and heat sheet sales. The Treasurer works with the Swim and Dive Team Parent Reps to make decisions regarding team expenses, both short-term and long. Though this year is almost over, if the new treasurer finishes out this year and continues in the position, (s)he receives one free swimmer and/or diver for next year's season. If you're interested in this position or know someone who has a head for numbers, please either give Miki a call at 963-5656 or shoot an e-mail to mckee@webstergroves.org. Names will be forwarded to the current board for immediate consideration.

This will likely be the last newsletter this year, so here's wishing speedy results from our swimmers! Remember to respect our hosts and pick up our bullpen areas well.

Good luck and good sportsmanship!
